

Omarsha

FULL-STACK DEVELOPER

About me

A meticulous and organized individual seeking to become a professional in the field of web development. Strong ability to handle complex projects. Innovative, creative, and willing to contribute ideas and learn new things.

Experience

I have experience as a freelance graphic designer mainly using Adobe **Photoshop**. I also have experience with softwares like Adobe **Illustrator** and Adobe **Premiere pro**.

Projects

- Todo webapp - Angular, Bootstrap, Node.js, Express.js, Mongodb.
A todo webapp with login, register, delete account functionality which allows users to view, add, edit and delete todos.
